

Stainless Steel Shot Put Toe Board 2012

AL065

Designed and manufactured in accordance with, and certified under, the Regulations of the International Federation (IAAF Certificate: E-12-0685).

The toe board is made of stainless steel. It is secured to the ground by three fasteners housed inside the toe board and covered with white plastic caps.

After a degreasing treatment, consisting of a pressured phosphate bath, the structure is painted with polyester powder paint and polymerized at 200° C in an oven.

The product is supplied with suitable fasteners.
